

## Product Specification Sheet

### Targus Grove™ Topload Part #: TST022US

#### Product Description:

The Targus Grove™ Topload is designed to fit most 15.4" laptops. As part of the Targus EcoSmart™ Family of Products, the Grove Topload is PVC free and features recyclable plastic accents and nickel-free metal to reduce the amount of toxins released into the environment. To keep your belongings protected, the topload features a quilted side-access laptop compartment and a MP3 player pocket with headphone passthrough. To help keep you organized the workstation includes a business card holder, pen loops, key hook and several accessory pockets. The large front storage pocket provides quick access to personal items and the hidden water bottle holder provides storage for beverages. The case features an adjustable/padded shoulder strap and padded handle for comfortable carrying. For added convenience the messenger includes a back slip pocket to store documents and a trolley pass-through to carry the case on rolling luggage. Constructed of durable nylon material, the Grove Topload features an earthy olive color scheme with sedona accents for added style.
